REMARKS

25X1X

1. Radaceanu is the avaricious type and is believed to cooperate with the Communists not because of inner conviction but for pure materialistic reasons. Although one of the few intellectuals and a well-trained veteran Rumanian Socialist, he was one of the main figures to advocate the fusion of the Social Democrats with the Communists.
2. The Rumanian Workers Party has permitted him to remain in his position with the Party headquarters and in the government because he knows too much. He is, however, a mere figure-head.
